Racism An American Pandemic: Black Resistance And Resiliency

Keynote Speaker
Dr. Michael Eric Dyson

Dr. Dyson is a distinguished University Professor of African American and Diaspora Studies, College of Arts & Science, and Distinguished University Professor of Ethics and Society, The Divinity School, and Centennial Professor at Vanderbilt University — is one of America's premier public intellectuals and author of over 20 books, including seven New York Times bestsellers. A contributing opinion writer for the New York Times, and political analyst for MSNBC, Dyson is recipient of two NAACP Image Awards and the 2020 Langston Hughes Festival Medallion. Former President Barack Obama has noted: "Everybody who speaks after Michael Eric Dyson pales in comparison."

THIS WEBINAR IS
BEING RECORDED

Friday, February 26, 2021
10:00 AM - 1:00 PM

Webinar Description

This webinar presentation will examine racism as a pandemic and the continued resistance and resiliency of African Americans. The presenter will discuss the different treatment and tactics used by Law Enforcement and the US government, as it relates to the Black Lives Matter protesters and the January 6th Insurrection by Domestic Terrorist in Washington DC. A question-and-answer session will follow the presentation.
