

# **Lesher Grant application info**

## **General Information section**

Requirements:

- 1) Description of improvements needed and the estimated completion date, with a timeline, if you have one (6,000 character limit but can upload additional info)
- 2) Construction bid (if more than one is obtained, please attach your preferred bid)
- 3) Project budget
- 4) Population and neighborhood served (4,000 characters)

*We are specifically seeking information Including, but not limited to:*

- Number of people served
- How often people are served
- Level of community need
- Number of meals served weekly and/or monthly
- neighborhood served

Successful applications will include an emphasis on:

- Location of the facility
- Level of community need
- Amount requested
- Number of meals served

Need dollar amount requesting; grants will be \$5,000 to \$30,000

## **Financial Status section**

- 1) Construction bid (6,000 words plus upload preferred bid)
- 2) Upload project budget
- 3) Other funding sources: type or upload list of other funding sources (1,000 characters)

## **Supporting Documents section**

Upload up to 3 documents relevant to application (maybe letters attesting to need? Something from the shelter plus something from the church?)
