

Dear I4C Community,

We're happy to report on our first full year of ICARE, the Interfaith Community Action REvitalization, a program where two or more different faith communities work together on a community service project to serve those in need in our county. ICARE is offered through the Interfaith Council of Contra Costa County.

This video introduces ICARE: <https://tinyurl.com/IntroICARE>

This video demonstrates how congregations sign up to be a sponsor:

And this video celebrates the many service projects performed during ICARE's first year:

The most effective way for ICARE to grow is through word of mouth. As more people learn about ICARE, they will volunteer and support the program. So, **please share this report** broadly: Include it in your faith community's newsletters or other communication vehicles so others can get a sense of the power of ICARE. You can simply cut and paste the information on the reverse side of this letter into an email or social media post.

Please encourage your faith community to cosponsor an ICARE project in 2022 – it's faith in action and an honor to participate with others to serve those in need.

ICARE needs your financial support to continue organizing and supporting these wonderful service projects. So, we humbly ask you to donate today on the I4C website:

We're looking forward to continuing to grow our ICARE initiative in 2022 and serve even more people in need in our community while strengthening our interfaith bonds with one another.

In gratitude,

ICARE Co-Chairs
