Dear Wonderful Members of the Interfaith Council of CCC,

We are truly grateful for your wonderful, continued support of Monument Crisis Center. Your recent ICARE "Moms Event" was spectacular! The generous donations from the combined efforts of the communities of Beth Chaim, First Christian Church of Concord and the Islamic Center of Pleasanton, including over 200 toiletry kits, 75 boxes of diapers and wipes and 3 bags of baby blankets are so appreciated by the low income and at-risk families we serve here at the Center, they are true luxuries. These donations made all our mothers and their families so very happy.

Your gifts have an immediate impact on marginalized families and individuals, here in Contra Costa County, who struggle daily with hunger, safety and shelter and the immense challenges that accompany poverty, and whose precarious situations have been further devastated by the health and economic effects of the past two years.

With your continued encouragement and compassion, you help us provide the necessities needed for survival, as well as the tools to help build a stronger tomorrow for families and their children.

Sending all of you our best wishes for a blessed and happy Summer!

Sincerely,

A handwritten signature in blue ink that reads "Sandra Scherer".
