

# **THE IMPACTS OF ENVIRONMENTAL RACISM ON THE DEVELOPMENT OF SOCIAL CAPITAL IN AFRICAN AMERICAN COMMUNITIES**

**WEDNESDAY**  
**February 15**  
**2 PM**  
[Click Here to Join](#)

Join us for a keynote presentation with Dr. Bruce Strouble, a professional sustainability advocate, anti-racism educator and community organizer. Dr. Strouble's work has focused on pursuing environmental justice and improving political participation in African American communities. Dr. Strouble's presentation will include:

- A brief history of African American communities
- Understanding social capital in African American communities
- Racism and social capital
- Environmental racism in African American communities
- Anti-racism and environmental justice
